PROFESSIONAL EXPERIENCE

Rapid Supplies,

03/2024 – 11/2025 | Karachi

Ecommerce Trainee / WordPress Web Development

Assisted in managing and updating products on the company's eCommerce store. Organized categories and collections, added and optimized product images, maintained Excel product data sheets, sourced product images online, and supported the development and maintenance of the online store.

PROJECTS

WatchHub – Luxury Watch E-Commerce Mobile App

- Developed a premium mobile application using Flutter with a modern dark UI and gold-accent design
- Built product browsing system featuring luxury brands like Rolex, Omega, and TAG Heuer
- Implemented wishlist functionality and intuitive shopping experience
- Designed clean, user-focused interface optimized for high-end product presentation
- Focused on performance, smooth navigation, and responsive layouts

Pizza Ordering Website

- Built responsive UI using React.js & Tailwind CSS
- Implemented dynamic cart and product customization
- Integrated Stripe payment system
- Added smooth animations using GSAP

Face Shape Analyzer App

- Developed AI-based UI for face detection
- Implemented privacy-first design (no data storage)
- Created interactive results page with smart recommendations

Portfolio Website

- Designed modern animated UI
- Implemented dark mode and smooth scrolling effects
- Optimized performance for fast loading and responsiveness
